REGULATION COPA SOUL SUL MINEIRO DE MOUNTAIN BIKE XCO 2022

The regulations and disciplinary rules of the International Cycling Union - UCI, the Brazilian Cycling Confederation - CBC and the Minas Gerais Cycling Federation - FMC will be followed, as well as the provisions of this PARTICULAR REGULATION.

1. GENERAL PROVISIONS

This regulation aims to provide guidelines for the Soul Sul Mineiro Mountain Bike Cup in 2022, aiming at the safety of the athlete and the smooth running of the competition. This event is part of the calendar of the International Cycling Union (first and third stages), the Brazilian Cycling Confederation (all stages) and the Minas Gerais Cycling Federation (all stages).

The championship is divided into 4 stages, three XCO and one XCM and the first stage will be “Taça Brasil”. The regulation may change from one stage to another.

We also emphasize the importance of checking the protocol regarding the covid-19 pandemic so that the event can be held in a safely way and everyone must follow its rules. These regulations may be changed if there is an extreme need and the last version released will be printed and will be in the organization’s’ possessions on the event day. Additional information will be passed on at the technical conference (upon necessity) which will be held in online format on the day before the competition.

2. CALENDAR E RANKING

1st STAGE – XCO City: Lavras – MG. Date: March 05 th and 06 th . Ranking: Taça Brasil UCI (Class1), CBC (XC1) e FMC.	2nd STAGE – XCO City: Machado – MG. Date: May 21 st and 22 nd . Ranking: CBC (XC1) e FMC.
3rd STAGE – XCO Cidade: Lambari – MG. Date: July 02 nd and 03 rd . Ranking: UCI (Class2), CBC (XC1) e FMC.	4th STAGE – XCM Cidade: Caxambu – MG. Date: August 27 th and 28 th . Ranking: CBC (XCM1) e FMC.

3. REGISTRATIONS

> Registrations and payment have a deadline that are irreducible issues, so we will not receive both after the deadline stipulated for each stage.

> Enrollments will be made online at a partner website for the event. <https://app.sprinta.com.br/>

> Registration fee:

Men Elite, Women Elite, Men Junior, Women Junior: R\$150,00 + TAX

Other categories: R\$120,00 + TAX

Trilhão: R\$70,00 + TAX

> Registration is personal and non-transferable, and we will not refund the amount paid under any circumstances.

> Athletes under 18 years must complete the registration form including the personal data of their parents or guardians.

> On the event day when confirming the registration, the athletes must show the documents required in the registration form, which must be the originals or certified copies.

> We are not responsible for electronic problems regarding the registration and payment of the bank slip. Therefore, we recommend (not mandatory) to facilitate the resolution of possible problems that have some proof of registration and payment, such as proof of payment of registration.

> On the day of the event, athletes must donate 1kg of non-perishable food or other items when confirming their registration and picking up their items, with the exception of salt and cornmeal, which will be donated to a needy entity in the city where the stage takes place.

> Upon registration, by agreeing with the regulation by checking the “AGREE” option in the online system, the participant is accepting all the terms of the same and assuming full responsibility for their participation in the event. Participants are responsible for the accuracy of the information provided in the registration form.

> As established by the Elderly Statute, a 50% discount on the registration fee will be granted to participants aged 60 years and over and the same will be applied for the PNE category.

> Doubts can be resolved in the email: sulmineiroxcomtb@gmail.com

> IMPORTANT: Fill out the registration information clearly and pay special attention to the “CPF NUMBER”.

- > The reference used to calculate the ages of each category is 12/31/22, that is, it will count the age you will be on that date.
- > **OFFICIAL CATEGORIES REQUIRE FEDERATION.** It is necessary to present the federation license (can be online) at the time of registration confirmation. Athletes who register in this category and are not federated or do not present proof will be reassigned to another category (amateur) according to their age.
- > **KIDS Category:** free registration made on the days of the event, while the secretariat is open. Parents or legal guardians must present their documents and be responsible for all child safety equipment (mandatory helmet use). The category is intended for children born in 2011 onwards and is not aimed at competitiveness, therefore, the award will be the same for all participants without distinction of placement. This category may be canceled due to the pandemic.

COURSE:

XCO:

- > Laps number will be defined in each XCO stage.

XCM:

- > Complete course: approximately de 60km.

Reduced course: approximately de 40km.

Elites (male and female), Juniores (male and female), Sub-30 (male and female), Masters Masculina (A1, A2, B1, B2, C1) e Masters Feminina (A e B): Complete course.

Amateur Categories (male and female.), Masters Masculina (C2, D1 e D2), Master C feminino, Gravel (male and female), infante juvenis (fem. e masc.), juvenis (male and female), duplas, trilhão, e-bike (male and female):

Reduced course

- > After 14:00 of the 4th STAHE (Caxambu – XCM) the organization is not responsible for the permanence of athletes in the circuit. This will be the last moment that the support car will be passed.

5. LIFE INSURANCE FOR ATHLETES

Athletes participating in the event will have a life insurance during the competition. To activate this service, it is important for the athlete to correctly fill in all the fields on the registration form, since the insurance company will need and use those data that was filled out.

6. ATHLETES CHIPS AND NUMBERS

The plaques with numbers and chip are used for the timing of the race. Both are property of the event organization. Each athlete will receive a plate with the number for its bike and a rib already with the chip AND **THEY MUST BE RETURNED** by the athlete at the end of each stage.

- > If it is necessary to make another plate, the athlete will pay for it, the price being defined in each stage. Damaged number plaques will be exchanged for another at the secretary, upon presentation of the damaged one.
- > If the athlete does not return the CHIP, it will receive a ticket with the value of the costs involved in the purchase of this equipment: R\$ 50.00.
- > The plaquer or the number provided must be used visibly, without alterations or erasures, throughout the race.
- > Each athlete has their number and chip as identification, therefore, it is non-transferable.
- > The plaques cannot be cut and also cannot have their visual modified. It is also prohibited any type of advertising of the athlete in these equipments.
- > At the end of each event, there will be a place for the athlete to leave the track and/or circuit and a person responsible for collecting the CHIP and PLAQUES.
- > Even if the athlete does not finish a race, PLAQUES AND CHIP must be returned.
- > In the last stage of the championship, all plaques must be returned.

7. SUPPORT AND SUPPLY FOR ATHLETES

The organization of the event will provide a place that will be identified for support and supply of the athlete (feed/technical zone)

- > The support team must accredit its members at the secretary during their opening hours. Will be allowed one or two supporter per athlete.
- > Support for the athlete will only be allowed in the area demarcated by the organization. Support outside this area disqualifies the athlete immediately. There cannot be physical contact between the supporter and athlete.
- > Mechanical support is allowed. Repair can be done by the athlete, team or mechanic. The support or repair can never be done by another athlete, if this happens, both will be disqualified.
- > The athlete may take tools and food, as long as he doesn't cause danger to other people, including himself.
- > Athlete who is caught receiving any kind of support, outside the previously determined area, by any other person will be immediately disqualified.
- > Supply and technical assistance are allowed only in the zones designated for this purpose. Glasses exchange must take place at the same location.
- > Contact between supporter and athlete will only be allowed in the feed/technical zone.
- > It is not allowed to splash water on the athlete or on the bicycle.
- > The manager must not run through the entire zone alongside the athlete to give assistance.
- > Food must be passed from hand to hand.
- > It's not allowed to change bicycles.

- > The athlete who goes out of the course during the race for any reason must return to the course from the same point where he left.

8. TEAM AND PRESS AREA

It will be reserved a space for teams to set up their tents. During the days of the event, the demonstration and sale of any type of product in the event area is expressly prohibited. This will only be allowed with prior authorization from the organization.

- > The representative of each team should contact an organizer so that they can indicate where they can set up their structure (tents).
- > The organization is not responsible for theft or any damage related to the structure and objects of the teams.
- > The media team of each team, company or independent media must contact the organization to register and receive their respective badges for proper circulation around the circuit and awards area.

9. AWARDS AND SCORES

- > Elite Men and Women get podium until the tenth place, all receive medals and awards, according to the following tables. In other categories, the first three receive gifts and the first 10 places go up to the podium and receive medals. Only the first three places receive gifts according to the sponsor's availability.
- > Only goes up to the podium if completes the race.
- > **IMPORTANT:** At the award ceremony, the athlete must be in uniform. Barefoot athletes, pants/shorts and any type of social clothing, with flip-flops/sandals and shirtless will not be allowed. Athletes like this mentioned will not be able to go up on the podium and will lose the medal and the prize, if any. But won't lose your score.
- > During the ceremony, if the athlete is not present, it will not receive the prize and will not receive the gift either. No other person can go up on the podium to represent the athlete. Any other eventuality must be communicated to the organization for analysis of the facts.
- > Every leader athlete of the championship must run in the next stage with the **LEADER SHIRT**. If it do not wear the Leader Shirt, it will not participate in the stage.
- > **SCORING:** The points of the Championship stages will be allocated up to the 10th (tenth) place of each stage, in the following order: 1st place –20 points; 2nd place –17 points; 3rd place –15 points; 4th place –13 points; 5th place –11 points; 6th place –10 points; 7th place –9 points; 8th place –8 points; 9th place –7 points; 10th place –6 points.
- > In the last stage of the championship, the first three placed in each category (through the sum of points) will receive the general award corresponding to the championship. This award is for all categories, except those exclusive to the marathon stage.
- > In case of a tie, the leader is the one with the best score in the last stage that took place.

In this way, entries must be made in the elite category, after the award of this category, there will be a second award (symbolic) only with the under-23 athletes.

* Categories duplas, gravel e trilhão are only referent of the last stage.

* Trilhão only receive medals.

10. RESULTS AND RESOURCE

> PUBLICATION OF RESULTS: After the calculation of the result by the timekeeping team, they will be published in a specific place and easily accessible for the athletes' conference.

> RESOURCE: must be made within 15 minutes after the results are announced. After this period, they will be approved by the race direction and the Commissioners' agreement. The appeal must be homologous through a form provided by the organizers with an amount of R\$100.00. Resources can only be individuals and not collectives. Athletes involved in the appeal will be able to follow the judgment, and if necessary and at the discretion of the federation commissioner and the organizer, witnesses may also participate. Relatives won't be witnesses. If the appeal is deferred, the money will be returned and if not, the money will be donated to the needy entity chosen to receive the donations.

11. RIGHTS OF USE OF IMAGE

The organization of the event may record the proof on video or photograph. Athletes who have any restrictions on the use of their image must do a message explaining the case before the race, along with the registration form. If there is no restriction filed, all images can be used to publicize the event without financial compensation

12. RESPONSABILITIES AND RULES

> Thefts, damage to bicycles or other equipment, any type of trauma and/or injuries to athletes and companions during the race or training will not be the responsibility of the organizer, sponsors and state or national federation.

> It is an obligation of each athlete to take with them all the food and drink that they consume before, during and after the competition.

> It is the athlete's responsibility to have a life insurance plan for coverage or assistance in case of an accident.

- > It is the responsibility of the Organizers for a medical team to provide first-aid in case of accidents and transfer to the nearest hospital. From this moment, the responsibility of the organizers ends.
- > It is the obligation and responsibility of athletes and organizers to look after the image of Mountain Bike and the nature preservation (do not throw garbage anywhere).
- > The athlete is responsible for the decision to participate/continuity in the race, judging and evaluating for himself his performance and physical condition.

13. PENALTIES

- > Athletes who has a false start will be penalized with an increase in time at the end of their race, which may vary from 30 seconds to 5 minutes, according to the commissioners and/or organizers.
- > Any athlete, team members or relative of the athlete who treats anybody rudely, harshly, with violence, promoting disrespect, humiliation to an organizer, commissioner, other athlete and public will be banned from all stages of the competition during the year.
- > It is mandatory for the athlete to wear a helmet with a chin strap and closed, gloves, shorts or bretelle and a long/short sleeved jersey. All in good condition during the race and training. Otherwise, he/she will be disqualified.
- > The athlete will only be able to do its training during the event days (Friday and Saturday) after confirming its registration and using the identification plate on its bike. If you need to do the training with a coach that must be accredited at the secretary and remove the identification plate for coaches and put them properly on the bike.
- > It will not be allowed to wear a sleeveless jersey and compression stockings (socks that come to below the knee).
- > The use of football jersey or any other sport other than the cycling jersey will not be allowed.
- > The use of pants, long or compression socks, any compressive material on the knee or elbows, electronic devices, headphones, any object that modifies the equipment or the uniform will not be allowed.
- > It will not be allowed to wear national team or champion jerseys, world teams, and UCI line world champion jersey (Rainbow Jersey)
- > National federation jersey and uniforms will not be allowed. The current Brazilian XCO Champions must compete with their respective champion jersey.
- > It is forbidden to do training on the track without an identification number and outside the permitted hours.
- > Other reasons for disqualifying athletes:
 - Cut the original course.
 - Unfair maneuvers and unsportsmanlike conduct before, during and after the race.
 - Change bikes during competition
 - Not having the identification number (on a bike or on jersey) during the race.

- Give and receive support outside the indicated points.
- Throwing garbage along the course.
- Use motorcycles or another vehicle to recognize the route.

14. OTHER INFORMATIONS AND DECLARATIONS

This regulation can be changed if the organization or federation think it is necessary for athletes' safety or for the development of the event. The rules printed and present on the day of the event are the ones that will be valid. If changes occur, this information will also be passed on the technical congress.

The event may be suspended by the organizers for security issues, as climatic factors, vandalism or other reasons like these.

Cases that do not presented in this regulation and/or omitted cases will be judged by the commissioner and organizers.

Participating and registering in the competition, the athlete agrees with:

I declare that I am aware of and in accordance with this regulation of this competition and exempt the organizers, sponsors, venue of the event for any and all consequences that may result from my participation in this competition (theft and damage to equipment or any trauma, injuries, disability or death), therefore not being possible any type of indemnity.

I also declare that I have never prevented from participating in any other sport for medical reasons.

All the information for filled out in the registration, as your category and personal data, are the sole responsibility of the participant, and you must pay attention to the registration process to avoid errors in terms of categories, days and times of competitions.

The organization is not responsible for errors caused by incorrect or improper filling.

In an emergency, I authorize any qualified person to administer the necessary medical and/or surgical treatment, including the administration of blood and blood products. I authorize that information relating to my health conditions be given by the responsible doctor to the organizers as well as to my own doctor and/or my relatives or guardians.

I'm also aware that in this pandemics time the risk of contracting covid-19 is real. Thus, I exempt the organization of any sequel or damage to mu health.

It is the responsibility of each participant to have a medical insurance (for assistance/financial coverage in the event of an accident). The organization's medical teams will only provide first-aid and direct the injured person to a nearest hospital. All hospital expenses will be a responsibility of the injured person.
